MINUTES
of the
EXECUTIVE COMMITTEE
OF THE CHOWAN BAPTIST ASSOCIATION

The third quarterly meeting was held Tuesday, September 2, 1986 at the Hertford Baptist Church.

Bobby Hewitt, moderator, called the meeting to order at 7:30 p.m. and asked the members to stand and repeat the Lord's Prayer.

The minutes of the last meeting were approved as read.

The treasurer's report was approved as presented.

Area three rough estimate value $5,000 to $10,000. The Property Committee of Camp Cale to make the decision to harvest the timber.

Leroy Cahoon, camp custodian, was contacted by the Roanoke Bible College

as to the cost per person to use the camp and if the cost could be cut. Billy Jackson made a motion to stay with the quoted amount of $2.50 per person. Second, Steve Wilson and the motion carried.

As a matter of information the Great Bridge Baptist Church of Chesapeake, VA will be using the Camp, October 31 and November 1, 1986, at a cost of $2.50 per person.

Bob Poole, a member of the North Carolina Christian Action League, informed us of the "beautification district" liquor bill that was passed in a short session of the N. C. General Assembly allowing approval for referendums. He made the following motion: The Executive Committee of the Chowan Baptist Association comprised of ten (10) counties in Northeastern North Carolina, at its meeting on Tuesday evening, September 2, 1986, express shock, dismay and consternation over the passage of House Bill #2105, "An Act To Permit Certain Beautification Districts To Hold ABC Elections."

At a time when our nation is overwhelmed by drugs, it is difficult to understand how our elected officials contrived such a measure as a "Beautification District" to allow the small community of Duck, N. C. with only 142 registered voters to be allowed to hold a "Mixed Drink" referendum when N. C. Law clearly requires a minimum of 500 registered voters before a referendum is held.

Furthermore, and equally appalling, is the fact that this bill was not only passed in a single day and without a public hearing in the Senate, but also came at a time when approximately 25% of the House membership was attending the funeral services of Senator John East in Greenville.

We deeply regret that our elected representatives in both the House and Senate allowed such legislation to pass in the first place, but also permitted it to occur in the manner it did. Hopefully, this will not happen again! Second, Billy Old and the motion carried. This will be sent to responsible people.

The following committees reported:

1. Finance Committee. William Sawyer, chairman, made a motion to accept the 1986-87 Proposed Budget as presented by the committee. Second, Bob Poole. Vic Ramsey, Sunday School Director, amended the motion to add $750 to Sunday School-VBS for a total of $1,250. Second Steve Wilson. Both the amendment and the motion carried.
2. Personnel Committee. Bobby Hewitt, chairman, presented the request from Glenn Lane, secretary, to cut her office hours from 9-12 and 1-3 to 9-1 beginning October 1, 1986. Garland Toliver made this a motion. Second, Tony Moore and the motion carried.
3. W.M.U.: Doris Godfrey, director, gave an informative report on the various activities and accomplishments. She introduced the new director Linda Fleetwood.
4. Brotherhood: Garland Toliver, director, announced the Brotherhood/RA annual meeting, September 29, at Albemarle Baptist Church.
5. Missions Committee. Archie Stevens, chairman, made a motion to approve Church Growth assistance from the BSC for the Outer Banks Baptist Mission. Second, Garry Mickey and the motion carried. Jim Burch did not accept the call to be the D.O.M. of our Association.
6. Sunday School: Vic Ramsey, director, is seeking to find the best teachers of pre-school, children, youth, and adults in order to build an "ASSIST team."
7. Baptist State Convention General Board: Carlton Nixon.
8. Glenn Lane presented the 1986-87 Calendar of Activities.

9. Camp Cale Council: Bobby Hewitt read the report from James Lane, general chairman.
10. Camp Cale Administrative Committee: Faye Swain, chairman, reported on the successful three weeks of camp. Garry Mickey, co-ordinator, was given a standing vote of appreciation for his efforts.
    She presented three proposals and moved their adoption.
    1) That both the Council and Committee be authorized to spend up to $1,200 as is necessary. Any amount over $1,200 as well as major projects will be brought to the Executive Committee for approval.
    2) That all churches in our Association desiring to use the camp during the year should make reservations by January 2. After that date, reservations will be based on "first come first served." This will enable the camp to book as many days as possible.
    3) That during Associational Emphasis Week each May an offering be taken in our churches to support the mission efforts in the Chowan Association. Promotion of the offering will be through the WMU and supported by the Chowan Association.
    Billy Jackson made the second and the motion carried.
11. Arrangements Committee. Janet Hurdle, chairman.

The following new pastors were recognized: Jim Sanders, Center Hill and James Knowles, Chappell Hill.

A motion and second was made to adjourn.

SUNDAY SCHOOL REPORT

The 1985-86 church year was a year of transition and reorganization for our Associational Sunday School work. A change of directors in mid-year, due to Robert Plummer being appointed as a foreign missionary, limited our associational efforts.

Thanks are in order to Tony Moore for organizing the Associational VBS clinics held on April 14 at Hertford Baptist Church. Consideration is being given to regionalizing this clinic next spring: that is, doing smaller clinics in various locations throughout the Association.

A telephone survey of pastors and Sunday School directors is being conducted this fall. The survey is intended to discover the most pressing needs of our churches in the area of Sunday School work.

The next major step is to enlist and train a basic ASSIST team. This team will consist of a specialist in each area of Sunday School work: adult, youth, children, and preschool. Qualified candidates will be persons who:

1. Are actively and successfully teaching the same age-group in their own church, using Baptist Sunday School Board literature.
2. Are able to communicate well with adults, both in one-on-one conversation and group settings.
3. Are willing to learn, and able to attend regional and state training clinics.
4. Are prepared to give time, talent, and energy toward improving Sunday School work in the churches of our Association.

Once this basic ASSIST team has been enlisted and trained, we can begin leading our Associational training events, and consulting with individual churches at their request.

The leader of the ASSIST conference at this year's Key Leadership Conference stated that it would probably take as many as five years before real improvement in Sunday School work could be seen Association-wide. As we begin this slow but crucial task, we ask not only your prayers, but your patience as well.

Vic Ramsey
Sunday School Director

WMU REPORT

"All over the world this gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in all its truth." (Col. 1:6) This was the watchword that guided WMU in our North Carolina Centennial Celebration. We began by gathering histories from the churches. We had birthday parties and 100 Days of Prayer that concluded on the day the Annual Session was held in Raleigh. Our association had good representation at the 100th Session.

"And Now Tomorrow" was the theme for our annual session at Rocky Hock where we had our first meeting in 1906. All age-levels took part in a very meaningful day. Mission Friends sang "The Sunbeam Song," GA's sang "We Are the World," Acteens did the prayer calendar and joined GA's in a skit. Young Baptist Women and Baptist Young Women shared "Our involvement in the present" and sang "Pass It On." Corrine Thorud served on the STA WMU's Centennial Committee and Baptist Women and other age-levels from

Edenton Baptist, under her direction, presented 100 years of fashion. Corrine Thorud wrote and narrated the fashion show. Linda Plummer, just commissioned by the Foreign Mission Board, issued the missionary challenge. Mary Nell Hastings inspired us with a meditation in word and song. Faye Swain, associational Centennial Chairmen, recognized the oldest and youngest as well as those who have been in WMU for 50 years. Reverend Tommy Hayes led our music for the day. The council worked together well, each receiving state WMU training and in turn training leaders in workshops. Mission Friends, Girls-in-Action and Acteens had day camps at Camp Cale. GA's and Acteens had other events during the year for associational organizations. Baptist Women, BYW and YBW had a meaningful prayer retreat on September 6 at Camp Cale. Mary Ellen Dozier, retired missionary to Japan, led and Garry Mickey was in charge of music. We concluded with a fellowship lunch.

Incoming director, Linda Fleetwood, attended Key Leadership Training at Ridgecrest. WMU supported weeks of prayer and state, home and foreign mission offerings as well as promoting world hunger relief, Women's Correctional Center for Women in Raleigh and sent an offering to help pay debt on new all purpose building at Mundo Vista.

Dorothy Williams coordinated a good program for migrants distributing health kits, bibles, clothing and blankets as well as working with groups who served suppers at the clinic.

Our 1985-86 emphasis has been "Multiply the Vision" and our association has grown in numbers and organizations. Also, WMU council was distinguished on the achievement guide. Those leading in the association were:

Doris Godfrey, Director; Linda Plummer, Asst. Director/Enlistment & Enlargement Director; Louise Shaw, Baptist Women Director; Linda Clough, Asst. Baptist Women Director; Pat Bateman, Baptist Young Women Director; Linda Fleetwood, Acteen Director; Barbara Hudson, Asst. Acteen Director; Anne Stevens, GA Director; Peggy Clough, Asst. GA Director; Frances Tynch, Mission Friends Director; Dorothy Williams, Mission Action/Personal Witnessing Director; Faye Swain, Centennial Chairman and Nancy Madre, Sec'ty/Treasurer.

WMU Director

BROTHERHOOD REPORT

Acts 4:13, "Now when they saw the boldness of Peter and John and perceived that they were unlearned and ignorant men, they marvelled and they took knowledge of them that they had been with Jesus."

Ever since the days of Peter and John, the world has marvelled at what men can do when their lives have been touched by Christ. Truly there is still much to be done, by men whose lives have been touched by Christ. Truly there is still much to be done, by men whose lives have meshed with Christ's.

The Brotherhood organizations — Baptist Men and Royal Ambassadors, give exciting and valuable opportunities for boys to grow into men learning and doing mission projects in their home communities as well as having fun together with other area Christian athletes in their age groups in basketball and track.

In RA's boys grow up knowing the importance of mission outreach to all men. Baptist Men continue to learn and do with mission opportunities for

short-term work in the local area, across the state, in new work areas of the United States and around the world. The Disaster Relief Unit, sponsored by North Carolina Baptist Men goes where tornadoes, hurricanes, and floods have disrupted lives. It is staffed by volunteers from across the state.

Our hope for 1987 is that more churches will have Baptist Men's groups forming and going out on mission to spread the Good News to those in need.

This year our Chowan Association Men had an inspiring rally and meal at Albemarle Baptist Church shared with the West Chowan Association Men on September 29, 1986. The RA's had an active year including a great basketball season even though there were no state play-offs.

Garland Toliver
Brotherhood Director

EVANGELISM REPORT

With the Good News America, God Loves You nationwide campaign starting, the Chowan Association, along with their Evangelism Committee had quite a busy year.

In the fall of 1985, our Regional Evangelistic Conference, held in Elizabeth City, continued our preparation for the Good News America campaign. With our Good News America Associational Steering Committee organized, we were able to see their efforts present a tremendous impact throughout our Association.

One of the main promotions presented by this committee was the Good News Rallies held in the spring of 1986. Dale and Gilda Riddle brought their evangelistic ministry to Blackwell Memorial, Edenton, and Providence Baptist Churches in an effort to fuel the fires of evangelism in our association. Some 1000 or more people attended these rallies.

It should also be noted that the messengers to our 1985 associational meetings voted overwhelmingly to amend the by-laws by restoring the evangelism committee.

As of the date of the completion of this report, there have been at least 33 churches in our association who have indicated they have had Good News revivals. Final reports have been received from 25 of those churches with the following results:

Scriptures Distributed	2,550
New Persons Enrolled in Sunday School	63
Professions of Faith in Jesus Christ	106
Prospects Discovered	343
Rededications	510
Members Received by Letter	26

We praise God for the results of these efforts.

On behalf of our Evangelism Committee, consisting of Bill Loftis, Chip Roberson and myself, we extend our utmost loving and humble appreciation to the messengers and officers of our 1986-87 Chowan Associational Meetings, the Good News America Steering Committee, the pastors and the churches, and all others who have prayed and supported the efforts put forth for the cause of evangelism during the past months.

Would you join with us in continuing the theme of "Good News America, God Loves You" as you continue in our Lord's service in the days ahead? Our prayer is that you will!

MIGRANT MISSIONS REPORT

There were many challenges and obstacles to contend with as we began Migrant Ministries '86. Having lost our Spanish and Haitian interpreters, we were facing the possibility of working around a language barrier. Fortunately God provided us with Jephte Bernard, a Haitian from Miami, Florida who speaks several dialects, including Spanish and Creole. Therefore, we were able to effectively reach the people with one interpreter.

This past season yielded more migrant camps than we have had in previous years. Also, we had before us the largest geographical area ever. Added to this was a new chairman training a new interpreter in the job description. However, through the thick and thin, the long hard hours of travel and patiently waiting for the workers to prepare for worship service, we had a most fruitful year. The health kits provided by the WMU of our churches were greatly appreciated and quite often the migrants related how appreciative they were of our concern.

Some of our churches participated in worship services while others contributed food items for cook-outs and emergencies. Phil Knotts' ministry was blessed with thirteen decisions for Christ. There was a total of fourteen professions of faith and one baptismal service. Distribution of Bibles, clothes, food, taped gospel messages as well as providing VCR equipment for movies made this a very rewarding year. One Haitian responded to the call of God to prepare for the ministry and will be attending school shortly.

The Chowan Baptist Association is to be commended for making available financial and social support for this much needed ministry. We appreciate the work and prayers of all those who have contributed to the life support system of this work for the Lord.

Howard E. Simpson, Jr., Chairman
Associational Migrant Committee

MISSIONS COMMITTEE REPORT

This past year has been a very active one for your Missions Committee. Most of our time has centered around the process of securing a Director of Missions for our association. We have spent many hours in prayer as we have examined resumes of potential people who were interested in serving in the Chowan Association. I for one as a minister can now sympathize with what a pulpit committee goes through in the selection process for a pastor.

We are now back to square one in the selection process and we need your prayers as we begin once again to look for someone to lead us as a Director of Missions.

Archie Stevens, Chairman

MINISTERIAL COMMITTEE REPORT

The Ministerial Committee met on two occasions for the purpose of examining candidates for ordination at the request of churches. Jack Edge of Moyock, and Greg Wise of Outer Banks Mission were both recommended for ordination.

The Ministerial Committee notes with sadness the occasions of difficulty some of our churches have had in the area of pastor-church relations. We remind the association that our committee is available to confer with churches or ministers at their request. These conferences will, of course, be accorded the same degree of confidentiality you would expect in other types of pastoral counseling.

Finally, we are pleased to announce that Don Wagner, of Rocky Hock, has been asked to conduct Seminary Extension classes in the area of pastoral care and hospital ministry. The classes will be held at the Edenton-Chowan Hospital.

Vic Ramsey, Chairman

PERSONNEL COMMITTEE REPORT

It is the duty of this committee to supervise the regular employees of the association. We have two — Glenn Lane, our associational secretary and Leroy Cahoon, custodian of Camp Cale. Little supervision, if any, is required for either as they both do excellent work. Both are to be commended for their devotion and dedication in carrying out their assigned responsibilities.

Bobby Hewitt, Chairman

CAMP CALE REPORT

The camp was opened in March with our minor water leak. A new 80 gallon water heater was installed in the kitchen. There were six wooden doors installed in the shower house for more privacy in bathroom area.

The lumber cruise was completed by Mr. Tony Webb of Edenton. Mr. Webb is a registered forester, broker, and surveyor. Total charge $255.00. There is approximately $31,000 to $36,000 worth of timber that needs thinning from property without damaging camp ground aesthetics. This mostly has to be done on tree to tree basis on most of property especially around buildings area. Mr. Webb has a particular logger that he has worked with to do this as his working date. There have been three new twelve foot salt treated tables with built-in seats, replacing standup tables in the yard area by our custodian. There has been all new screens (portable) put on hogans by custodian. We bought a new 17-foot aluminum canoe with canteen profits. Mr. Cahoon and family cleaned entire campground this year.

The four fans have been installed in dining area, providing much more comfort. They were purchased with profits from 1985 camping season. Our health inspection was held just prior to camp season with a 93.5 rating, up .5 from 1985.

Our kitchen has been painted and looks good. I have one estimate and another in progress for air-conditioning conference room and kitchen. We had a good summer.

James Lane, Chairman

DEDICATION

As we come to celebrate the 25th anniversary of Mrs. Glenn Lane as Secretary of the Chowan Baptist Association, it is altogether fitting and proper that this body dedicate the 1987 Minutes in her behalf.

Mrs. Lane, along with her understudy husband, Paulette, have labored among us with extraordinary love and devotion that only comes through a life committed to our Lord and Savior, Jesus Christ.

Her cheerful voice in answering the phone, "Chowan Baptist Association," would let all who called know that she was so very knowledgeable in the policies pertaining to Baptist life and work.

Mrs. Glenn Lane has taught us all what it means to be faithful and consistent in doing the Lord's work. She is a go-between in our churches and in our convention. She has labored long and devotedly among us doing the work, many times apart from her specified duties.

In her work as Associational Secretary for the past 25 years, only the Lord knows how many thousands of letters she has written, how many hundreds of telephone calls, the many, many conferences she has arranged, and the sea of literature she has mimeographed and mailed to the churches. She did all of this with a smile on her face and love in her heart. She and her husband through all these years have remained true and faithful to her church, the Macedonia Baptist Church.

To Mrs. Glenn Lane for 25 exceptional and loyal years as Secretary of the Chowan Baptist Association, we dedicate the 1987 Minutes with love and best wishes for a job well done.

DIRECTOR OF MISSIONS' REPORT

It has been a new and exciting experience for me to serve as your Interim Director of Missions for the past year. It has been a rewarding challenge for me and the fear of such an awesome task has been relieved, and in its place is a joy of service.

Some highlights of the year:

1. Moving the association office to the mezzanine floor of the NCNB Building, providing more space.
2. Drove some 16,000 miles serving our association.
3. Visited and/or preached in 50 of our churches scattered over our ten counties.
4. Taught several mission study books for our W.M.U., as well as speaking in the annual meeting and a county meeting.
5. Spoke in two Brotherhood breakfast meetings.
6. Shared the Expanded Annuity Plan with several church business conferences.
7. Spoke in the Tar River and Neuse Association Pastors' Conferences and a Chowan Conference.
8. Attended the Key Leadership Conference at Ridgecrest with several of our own Key Leaders.
9. Attended the Baptist State Convention in Greensboro and a meeting with all state Directors of Missions.
10. Participated in a Training for DOMs and State Department Leaders.
11. Met at Caraway with all DOMs and State Department Leaders.
12. Spent a week at Wingate College with all state DOMs.
13. Spent a week at the Home Mission Board in Atlanta for orientation for new DOMs.
14. Attended a conference at Caswell for Eastern N.C. DOMs.
15. Attended a Board of Directors meeting at the Circus Tent concerning our resort ministry.
16. Met in New Bern with Bill Lee of our Home Mission Board concerning Resort Ministries.
17. Worked with our Task Force Committees in our Association Strategy Planning on a ten-year study of our association, concluding with a two-day retreat at Chowan College to put it all together to present to our Executive Committee and the annual associational meeting. This will present our future direction and goals for a five-year period.
18. Spent two days at the Foreign Mission Board with four of our pastors.
19. Numerous conferences with pastors and churches concerning vacancies and problems.

God bless each of you and we look forward to another year of challenge and service.

Ralph W. Knight
Interim Director of Missions

WMU REPORT

The Chowan Association WMU began its new year with training. The church leaders attended a workshop at Blackwell Baptist Church on October 7 for training by the association's WMU council. There were 127 in attendance.

The 1987 NC WMU Annual Session was held at Ridgecrest March 27-28 with over 2,700 persons in attendance! We had 38 from our association attend. We were inspired by the program based on "Gifted . . . Called . . . Empowered . . . Involved."

We chose the Home Missions theme for this year, "Called to Evangelism," to also be our theme for the Chowan Association WMU Annual Session held at Providence April 21. We concentrated on our watchword for 1987, "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." (I Peter 4:10 NIV) Our speakers, all from our own association, told of their involvement in missions, and our own performed the music. We were shown that all of us indeed are gifted, and there is a place of service for that gift. 39 churches were represented at the session.

The Chowan Association Missions Offering was initiated in May, 1987. This offering is to support missions in our own association. We are thankful to those who supported this offering and hope that even more of our members will do so in the future.

The WMU associational council met June 27 for a day of annual planning. We designated dates for events and made plans for our coming year. The council meets quarterly for detailed planning and reporting. Twelve members of the council made plans to and did attend training workshops at either Caraway or Kinston.

As the heart of every Christian should be mission action, even so it is the heart of our association. Our work in mission projects increases every year. We thank our Mission Action Director, Dorothy Williams, for her service. We distributed 500 health kits plus blankets, clothing, and food for our migrant ministry. Also, under the direction of Doris Godfrey the VIP Party, a day camp for the mentally retarded, was such a success that we plan to make it an annual event. We also donated to the Women's Prison Ministry in Raleigh, and to Camp Cale. We greatly appreciate the support of the churches in these endeavors.

As an association we emphasized many events during the year: Baptist Women's World Day of Prayer, Foreign, Home, and State Missions, WMU Focus Sunday, special events for every age-level, and day camps for our youth. Special recognition should go to our GAs for increasing their membership by 13 percent. Also, we had several church WMUs receiving recognition of Distinguished or Standard.

Our year could not have ended on a more beautiful note than it did with our Prayer Retreat at Camp Cale September 12. Our guest, Martha Franks, is indeed a "woman of prayer." She inspired us to pray more intently than ever before. Let us continue in prayer, love, and in service as we "labor together with God."

Thank you for this opportunity to serve and for the WMU council that has served with me and done most of the work reported.

Linda Fleetwood
WMU Director

BROTHERHOOD REPORT

Acts 4:13 — *"Now when they saw the boldness of Peter and John and perceived that they were unlearned and ignorant men, they marvelled and they took knowledge of them that they had been with Jesus."*

As Brotherhood Director last year, I chose the above scripture passage to

open that report, to acknowledge that Christ Jesus is our leader and Lord in all we undertake, to encourage each man and boy in our association to let Jesus work in his life a miracle of grace that we might see great things out of our Brotherhood and Royal Ambassadors.

The opportunities are still there for all to learn about missions and "do" missions across our state. Sad to say, many have still not availed themselves of the opportunities. My hope still is to see an active Baptist Men and RA group in every church.

At the present time, we have 34 churches listing a Baptist Men's program while one new group was added this year — Roper Baptist — for which we are thankful. Of those 34, 8 are listed as having no leader. Join with me in prayer that leaders will come forth.

We have been made aware that one church, Albemarle Baptist, made a trip to North Topsail Beach to assist in building a new mission church building there. There may be other such activities that the association is not aware of. There are many such opportunities to use our talents across the state every year.

The RA programs are going strong in those churches who have them. We are entering a new era in RA work as of October 1. Many changes in organization, activities, and literature have been instituted this year which should make RAs more exciting and relevant to the boys' lives.

The annual Boy's and Men's Night, August 29, at Corinth Baptist, was deemed a success by those from the 11 churches attending. After a delicious cookout prepared by Doris Godfrey and the ladies of the church, the program was highlighted by Dr. James Cecil, former missionary in the Orient, who now works for the Foreign Mission Board in Richmond. His talk and the film on the growth of the Christian witness in Red China was interesting, informative and inspiring. Our Annual Brotherhood Training September 28 at Hertford, led by David Weeks of Fayetteville, was also successful.

Our prayer is for more growth and participating in Baptist Men and RA s under your new Brotherhood leadership in the coming year.

Garland R. Toliver, Director

EVANGELISM REPORT

Over the past year, your associational evangelism committee has met on several occasions for the purpose of getting organized and prepared to do the work that you, the churches, expect us to do.

At the outset of the last fiscal year, each pastor was mailed a letter in the form of a questionnaire that asked each man eight questions relating to his attitude toward evangelism in his ministry. With this information in hand, the committee sat down to assess the needs and the goals as best we could on such limited information. The results seemed to point toward our need to gradually work alongside any pastor who would like help in evangelism ministry in his church.

It is with this in mind that we look forward to the 1988 year's emphasis which will be "The Year of The Laity." There are many great programs and ideas that will enable each pastor to better reach the lost and train the saved to do the work of evangelism in his own community.

Part of our planning was in the area of an associational-wide crusade. All of this is in the planning stages as you can well imagine. We do look forward to meeting with many of our pastors so as to see this great project become a reality in which God can bless our area.

For the most part, our committee has come together and laid the groundwork for this year's efforts. We do look forward to serving you more effectively this year.

Chip Roberson, Chairman

PERSONNEL COMMITTEE REPORT

The Personnel Committee met formally early in November to welcome our new Director of Missions and to verify the details of the salary, benefits and job description presented to the association by the Missions Committee. We are indeed excited to have a Director of Missions within our association again. I pray that the churches of the association will give their prayerful and financial support to allow us to call a full-time Director of Missions at the end of Reverend Knight's interim.

I have met periodically with Mr. Cahoon and Mrs. Lane during the year. I appreciate their dedication to their duties and their support of the work of the association.

Garry Mickey, Chairman

MISSIONS COMMITTEE REPORT

The Missions Committee has not been as active this year as in times past. The only new missions effort was in starting churches near areas of potential new growth. Several areas of need were identified and Rehoboth Baptist Church began holding Bible studies on Bell Island in homes on July 16, 1987. We feel this is an excellent way of reaching out with the local church benefiting. Pray that other churches will catch the vision about this ministry outreach.

Archie Stevens, Chairman

MUSIC COMMITTEE REPORT

During the coming year, I hope to start an associational music library that all churches may use. A quarterly associational music directors meeting is being planned. These meetings will be to discuss any problems we have especially geared to the volunteer and part-time music directors. We have also been asked to have an annual music clinic for all choirs to attend. Being new in the association and to associational work, I ask for your patience and prayers as I learn my duties and in planning to make our association strong in music.

Jerry F. Elmore, Director

YOUTH REPORT

The 1986-87 church year was one of transition for some of your youth committee members thus making it difficult to organize any functions association-wide. However, the committee met periodically throughout the year to discuss possible youth functions for the future.

Tony Moore, chairman of the youth committee before leaving our association, surveyed Region I to find the contact person for youth ministry in each

church. Some thirty churches responded. This will hopefully give us a better means of communicating directly with people responsible for the youth work in their church.

The new committee for 1987-88 seeks your prayer support and solicits your ideas for association-wide functions. Help us serve you better.

Denise Gregory, Acting Chairman

CHURCH TRAINING REPORT

Developing Believers 1985-90 — This convention goal is now well underway. Someone said that leaders are born and not made. Another replied, "that may be true, but they are not born made." In other words even born leaders need training.

In Luke 2:52 Jesus kept increasing in wisdom and stature, and in favor with God and men, but grow in the grace and knowledge of our Lord and Savior Jesus Christ.

The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church. Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship.

The Church Training program has the responsibility of teaching in five major content areas. These are Christian Doctrine, Christian Ethics, Christian History, Church Polity and organization as well as skill development.

In order to be part of our state goal set by our convention for the year 1988:

a. Starting "M" Night again in our churches by March, 1988
b. Double baptisms
c. Increase Sunday School goal (150,000)
d. Double church gifts
e. Double associational gifts

We hope to have a strong Church Training program in all our churches. This will help us be a part of Bold Mission Thrust. Telling our world about Jesus by the year 2000.

SUNDAY SCHOOL REPORT

Associational Sunday School work experienced a year of mixed results. Several positive features stand out:

1. ASSIST workers in preschool (Frances Tynch, Rocky Hock) and children (Artie Nixon, Edenton) were enlisted.
2. Three VBS clinic sessions were held during the week of April 28-30. Thanks to the VBS team for a job well done:

   Frances Tynch, Rocky Hock
   Charlene Tynch, Rocky Hock
   Artie Nixon, Edenton
   Beverly Young, Macedonia
   Pat Bateman, Soundside
   Tony Moore, Rocky Hock

   Special thanks to Garland Toliver for teaching the Director's session and coordinating the clinic at Columbia Baptist.

3. The Sunday School Leadership Night on May 18th at Rocky Hock was well attended. Thirteen churches were represented by more than 30 participants. Thanks to Johnny Ross of the Sunday School Department for effective leadership and Don Wagner of Rocky Hock for gracious hospitality.

Several negative features also stand out:

1. Attendance at the VBS Clinics continued to decline, in spite of the extra session at Columbia.
2. Attempts to recruit ASSIST workers for youth and adult work were unsuccessful.
3. Attempts to encourage Sunday School workers in the churches to attend Ridgecrest were also unsuccessful.

Looking ahead, we hope to accomplish several things this year:

1. Reverse the downward trend in attendance at the Associational VBS Clinic.
2. Recruit a complete, basic ASSISTeam.
3. Conduct our first, locally-led, Associational Training School.
4. Build on the success of the Sunday School Leadership Night.

Vic Ramsey, Director

CAMP CALE REPORT

Camp Cale has been used almost weekly during the past year. The camp was closed during the winter months, but during the coming year those buildings that are winterized will be available all year.

The second Saturdays in March, April, and May were work days for getting the camp ready for resident camping. Several came and helped with the clean up.

It was necessary to do maintenance and improvements during the past year:

replaced steps at custodian's trailer
replaced stove in trailer, donated by Sawyer's House of Furniture
replaced weedeater
new pier built
new distribution box and 2 new lines installed for grease trap
new electric wire to all buildings except winterized buildings
new canvas on lifeguard cabin
new utensils for kitchen
new seats installed around campfire site
used ice maker purchased
sand bought and spread for ground cover
load of lumber donated by Atlantic Forest Products for shutters

Our camp kitchen received an "A" grade of 97 in August.

Reverend John Eure directed camp from July 13 through August 7. Our theme was "European Tour" and activities including making puppets or Red Cross Swimming lessons, and all learned to sign for the deaf to an inspirational song. We had six first time professions of faith reported as well as many rededications.

Our youth mission groups held day camps on various dates at the camp and the camp committees sponsored a Minister and Spouse Appreciation Supper May 23.

The camp has established an ANNIVERSARY FUND which is to be used toward some special project in honor of the camp's 25 years of ministry in 1988.

We felt the loss of Faye Swain, who resigned because of health, as our Administrative Chairman. Much of the credit for the work accomplished goes to Jimmy Copeland, Property Chairman. Jimmy has been ever faithful to Camp Cale and his work is most appreciated.

Upon seeing Camp Cale, retired missionary, Martha Franks who has traveled the world over said "I have never seen a more beautiful site." God has blessed us with Camp Cale, thank you for allowing me to serve as we make it a beautiful site of ministry.

Linda Fleetwood
Camp Cale General Chairman

BRIEF HISTORY OF THE CHOWAN ASSOCIATION

Between the years of 1721 and 1765, a number of churches had been instituted, and the vast area involved called for greater organized cooperation and unified effort. In 1765, the leaders and committees met in conference at the Kehukee Baptist Church, Kehukee, in Halifax County, N.C. and organized the first Baptist Association in North Carolina and Virginia, and named it the Kehukee Association in honor of the church and town in which it was organized. In 1790, a new association was separated for the Virginia churches and named the Virginia Portsmouth Association.

The Kehukee Baptist Association was the fourth oldest in the United States, and the group to which all eastern Carolina Baptist Churches belonged until 1806.

In 1803, Elder Thomas Etheridge of Camden County was chosen Moderator and Elder Tarver as Clerk. Some others present were George Thomas from the Bethlehem church in Pasquotank county and his pastor, Elder Thomas Hogwood. J. L. Morris and his pastor Elder Nowell from Colerain. John Smith and J. W. Beasley were their appointed delegates to the Association.

A special committee to study how to best support foreign missions was appointed. They were Elder Martin Ross of the Yeopim church, Lemuel Burkitt, Aaron Spivey, Jesse Read, and John McCabe. They met with delegates from Virginia, Portsmouth, and the Neuse Association about this matter.

The report was made and adopted in 1804 at the Cashie Baptist Church in Bertie County. Thus was organized the Baptist Philanthropic Society for support of foreign missions which grew and prospered until 25 years later the great Baptist State Convention was organized.

However, there were many too firmly rooted in the Calvinistic doctrine of election and free grace to take kindly to the idea of missions. Therefore, in 1806 the Association was divided, and the churches north of the Roanoke River withdrew and became the Chowan Association. The leaders of the churches did not desire to break a fellowship of long standing, but rather to create an atmosphere in which they could promote the mission endeavor with singleness of heart.

At the first meeting in 1806 at the Salem Meeting House on Newbiggin Creek in Pasquotank County, eighteen churches were received into membership and a committee headed by Lemuel Burkitt, pastor of Sandy Run and Potecasi, was chosen clerk, and George Outlaw, the Moderator, were chosen to draw up a Constitution and Rules of Decorum for the orderly conduct of business.

As early as 1815 there were established the Female Societies which were later to become the Woman's Missionary Union.

In 1817, Luther Rice established a society in Edenton and soon every church had organizations supported by the "butter and egg money" which was every housewife's due in those days. Official status came in 1891 when the North Carolina Baptist Woman's Missionary Union was formed with Miss Fannie Heck as president. The Chowan ladies joined the state group in 1906 when the Association met at Rocky Hock Church.

The Association helped in the establishment of Wake Forest College in 1830 and later on Chowan College in our own area.

Thomas Meredith, beloved pastor at Edenton Baptist Church, produced a paper called the *North Carolina Baptist Interpreter* which later became the *Biblical Recorder*.

The Chowan and the West Chowan divided in 1884 and now each association has approximately 60 churches each.

MINUTES
of the
THIRD QUARTERLY MEETING OF THE EXECUTIVE COMMITTEE

The third quarterly meeting was held on Tuesday, September 6, 1988 at the Hertford Baptist Church. The meeting was called to order at 7:30 p.m. by the Moderator, Gene Asbill. Billy Presley opened with prayer.

The minutes of the last meeting were approved as read. The Treasurer's report was approved as presented.

There were two items of old business and presented as reminders by Ralph Knight, DOM.

New Business: James Lane made a motion to give Leroy Cahoon,

caretaker at Camp Cale, a raise. Since this would have to be recommended by the Camp Cale Administration Committee, he amended his motion to be referred to the Committee. Second, James Copeland and the motion carried.

Jim Hyatt, member of the Associational Office Study Committee, requested some guidelines in seeking a site for an Associational office. Vic Ramsey made a motion to instruct the Study Committee to look for a suitable site for the Associational Office in Hertford, Edenton, Elizabeth City or any area in between. Second, Chip Roberson. After much discussion, Tom Hupp called for the question and the motion carried.

Ronnie Edwards expressed concern about our churches not using Camp Cale and urged each church to try to promote more interest in the camp.

The following reports were given: (1) Sunday School, Vic Ramsey, Director. There are two ASSIST team leaders, Pat Dawson, Youth and Lynnette Boyce, Preschool to help in your churches. He made a motion to have a Sunday School Fall Training Event, focusing on teaching improvements and understanding curriculum on Sunday, November 6. Second, Howard Simpson and the motion carried. (2) Key Leadership Conference, Gene Asbill, Moderator (3) Resort Ministry, Cindy Wise, Coordinator (4) New Work (Bible Studies), Greg Wise (5) Evangelism Committee, Tom Hupp, support member. He brought the following recommendations in the form of a motion: (1) that the Chowan Baptist Association urge and challenge every church and missions affiliated with the Association to share in the time of simultaneous revivals across our Southern Baptist Convention which shall be known as "Here's Hope, Jesus Cares For You." These revival meetings will be held March 18-25, 1990, in the eastern part of North Carolina. This recommendation includes prayerful support and a commitment to prepare our churches for such an evangelistic thrust that the Chowan Baptist Association votes to participate in this effort of the Southern Baptist Convention and the Baptist State Convention of N.C. Second, Don Wagner and the motion carried. (2) That the Evangelism Committee seek the approval of the Executive Committee to ask each of the churches in the association to contribute to a special fund to assist with advertising for the "Here's Hope Jesus Cares For You" campaign through local papers, radio spots, billboards and other appropriate means. Each church would be asked to contribute $.50 per attending Sunday School member. These funds would be set aside to begin advertising in February, 1990. There was a second. Sam Jolly made an amendment to the motion to ask $1.00 per attending Sunday School member. Second, Hines Adams. Both the amendment and the motion carried. (3) We recommend that a rally be held in the fall of 1989 to build excitement for the simultaneous revivals in our association.

The "Here's Hope, Jesus Cares for You Rally" will be held with a well-known evangelistic speaker, evangelistic music and testimonies from people here in the Chowan Baptist Association. The date of this event will be promulgated when the speaker and other details have been arranged. Second, Tom McLean and the motion carried.

DIRECTOR OF MISSIONS' REPORT

My second year as your interim Director of Missions has been a busy but rewarding experience, and I am happy to serve you the best way I possibly can.

I have driven over 15,000 miles this past year and have had the privilege of being in over forty of our churches to either preach or just to visit and worship in our many churches.

I am so proud of the progress and spirit in our Association. Most of our pastors have been enrolled in the new expanded annuity program and many salaries have been updated and other benefits that says to me that our churches love their pastors and want to provide adequately for them.

We have had many pastoral changes, but God always provides us with wonderful new pastors who are really devoted to their task.

The Chowan Baptist Association is becoming more mission-minded and I see evidences weekly of your concern. Our mission offerings in most cases are higher and people are concerned about our resort missions and ministries from Corolla to Ocracoke and things are happening all around us.

Our new Association Missions Development Council is now organized and functioning to fulfill the four objectives and goals presented by our Associational Task Force last year.

I will be serving my third and final year this year as you asked me to do and it is now time to make a decision on a full-time Director of Missions. A committee will be appointed for this task, but they will need the assurance of your prayers and financial support before such a person can be presented next October.

Thank you again for your prayers and support for associational missions this past year.

Ralph W. Knight
Director of Missions

ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL REPORT

The Associational Missions Development Council is the new name for your Associational Missions Committee. It comes on the heels of the Chowan Baptist Association's Strategy Planning which you received last Annual Meeting, and it couldn't have come at a better time. AMDC will be just the tool that will help us to accomplish the tasks described in the strategy planning of 1987.

The AMDC is composed of members who have committed to serve for a period of 3 to 5 years. This will give stability and continuity to the Association's program. The areas that we are working in are listed in your report from the Nominating Committee. Much of the time this year has been spent learning just what our job is. However, even with all the organizational measures we have been involved in, some very meaningful work has been accomplished.

In the area of Church Extension, Director Sam Jolly has been working with the two missions (Outer Banks sponsored by Blackwell Memorial and Rocky Hock and Cape Hatteras sponsored by Manteo) and the two new churches, Good News and Bethany, to offer them aid in growth and development. He reports that the Cape Hatteras Mission has completed work on a parsonage and the Outer Banks Mission has purchased six acres of land with a building suitable to use as a Worship Center and classrooms. Bethany Baptist will be recognized to be in full fellowship with the Chowan Baptist Association. Good News Baptist has purchased land north of South Mills and is also looking for a pastor as Reverend Bill Martin has resigned his position there. Sam Jolly also reports that Rehoboth Baptist conducted a survey of the Bells Island Community and is now sponsoring a Home Bible Study there. Greg Wise has been called upon to start Home Bible Studies in Rodanthe, Southern Shores and Kitty Hawk Woods. They hope to encourage the beach churches to rise to the occasion of helping to evangelize these areas and to perhaps sponsor missions or satellite Sunday Schools or churches in these areas. Sam has also met with the Powell's Point Church and led them through a Church Growth and Development Seminar. He is ready to share with your Church Missions Development Council or Missions Committee how you can involve your church in Chowan Association's commitment to growth.

Cindy Wise has been active as the Resort/Leisure Director. Thanks to the Home Mission Board and the North Carolina Baptist State Convention, she has been able to accomplish her work with extra funding. Resort ministries in Chowan Association is known as SOAR Ministries. SOAR Ministries has spread the love of Christ through six Backyard Bible Clubs; puppet shows on the beach and a day-care center; clowning; balloon sculpturing and calligraphy at a local restaurant; family evening programs in residential developments, mobile home parks/campgrounds; weekly recreational programs in mobile home parks/campground; and one-on-one counseling and ministry.

In the coming year you will hear more from our Language Mission Director (Migrants); Ron Parr, Christian Social Ministries Director (Senior Citizens, Handicapped, Mentally Handicapped, etc.) and Russell Gray, Interfaith Witness Director (Jehovah's Witnesses, Mormons, New Age, etc.).

George Poliock, Missions Survey Director will keep us updated on future Mission Ministries in our Association. Joe Brewer, AMDC Promotion Director and I will be available to help you better understand your Associational Missions Development Council in place of your Missions Committee. We're doing Missions in Chowan Association not just talking about it.

Garry C. Mickey, Director
Associational Missions Development Council

WOMAN'S MISSIONARY UNION REPORT

"Remember your leaders, those who spoke to you the word of God; consider the outcome of their life and imitate their faith. Jesus Christ is the same yesterday, today, and forever." (Hebrews 13:7-8)

This has been our watchword for the year. We have been reminded of it over and over again during this, our great Centennial Year. Reflecting back on the lives of Annie Armstrong, Lottie Moon, Fannie Heck, and many others has renewed our own sense of commitment and dedication to missions. And, our immediate past leaders, Alma Hunt, Helen Fling, Christine Gregory, Dot Sample, among others have truly inspired us to even greater endeavors. And, let us not forget our capable present leaders, Carolyn Weatherford, Marjorie McCullough, Nancy Curtis, and all the rest, who so faithfully instill in us the desire to be faithful to Jesus' command: "Go ye into all the world and preach the Gospel to every creature."

The Centennial on May 13-15 in Richmond, Virginia was, of course, the highlight of the year, or rather I should say of the Century! There, 11,000 women (and many men too) gathered to celebrate our first one hundred years. We were so proud to watch our Centennial Chairman, Geraldine Humphries, march in the parade as our official representative from the Chowan Association.

We held our Second Annual VIP Party for the mentally retarded last October with double our attendance from the previous year. Doris Godfrey, once again, did an outstanding job in coordinating the event.

Our State Annual Meeting was held in Greensboro this year with several of the Council attending.

Our Associational Annual Meeting, with acting WMU Director, Faye Ober, presiding, was held in April at Ballard's Bridge Baptist Church with 228 attending, representing thirty-five churches. We chose the theme: "A New Beginning." Miss Carol Leigh Humphries, retired missionary to Nigeria, brought the morning and afternoon messages. Cindy Wise gave a short talk on Resort Ministry, and addresses were heard from our Moderator, Reverend Gene Asbill, and Director of Missions, Reverend Ralph Knight. Several of the churches received either Standard or Distinguished Recognition on the Achievement Guide. The Associational Council, as well, received the Distinguished Award.

Most of the churches participated in the Foreign and Home Missions Studies and Weeks of Prayer leading up to the Lottie Moon Christmas Offering and the Annie Armstrong Easter Offering. State and Associational Missions were emphasized as well. And, WMU Focus Week is always a highlight.

Dorothy Williams and Joan Cooper, our Mission Action/Personal Witnessing Directors did an excellent job with our migrant ministry this year, distributing 595 health kits, approximately 50 "Use Me Books" and serving seven suppers, as well as passing out a case of Bibles, clothes, shoes, blankets, and sheets.

The WMU Council meets quarterly to plan associational events. Most of the Council received training from our state leaders this year either at Caraway or Kinston. We had our own local workshop on September 20 at Corinth. All of the new age-level manuals were taught at this time

and a collection was taken up to help buy gifts for the women in the Correction Center in Raleigh.

The Acteens, well led by Barbara Hudson and Darlene Jeralds, had a Fall Event at Sawyer's Creek with an attendance of 65. And then in March, they had a lock-in at Providence which featured a variety of activities. Their Day Camp was held on June 18.

The Girls in Action, capably led by Judy Ramsey and Elaine Roberts, began with a "Carousel of Countries" Missions Fair in November at Moyock. The GA Olympics in April at Providence proved to be such a success that they plan another one next spring. Day Camp was held on June 29.

The Mission Friends, ably led by Linda Clough and LaWanda Hollowell, held a Mission Friends Leaders' meeting in March at Hertford. Day Camp had to be cancelled, but is already scheduled for next year.

Our Prayer Retreat was held in September at Camp Cale. The Baptist Women, led by Louise Shaw and Mildred Perry, and the Baptist Young Women, led by Pat Bateman, did an excellent job in planning the event. Two of our local women, Doris Godfrey and Bertha Blanchard, gave inspiring testimonies.

My right arm, Mary Rice, has been a tremendous help to me this year as Secretary and Treasurer.

It truly takes all of us working together to accomplish our tasks and achieve great things for Christ. I could not ask for a better staff, and I have enjoyed working with them so much.

With gratitude for our heritage, WMU begins CENTURY 2, realizing that we face a new day which demands commitment, imagination, risk, and relevance in responding to the world's physical, emotional and spiritual needs.

Faye Ober
Woman's Missionary Union Director

EVANGELISM REPORT

This year has proven to be most challenging as the Nominating Committee has been faithful in replacing members of the Committee that were lost due to pastoral changes across our Association. The ensuing year proves to be even more challenging as we emphasize the "Year of the Laity" and encourage the churches in our Association to assist their laypeople in Lay Evangelism through Lay Evangelism Schools, Continuing Witness Training, CWT and WIN schools.

The task of Evangelism is of utmost importance if we are to accomplish the goals we accepted in Norfolk in 1976 called "Bold Mission Thrust." Preparation is the key as pastors and lay leadership within the churches work in partnership to bring the message of the Good News to each of our communities. We must prepare individually and collectively to meet such a challenge. We would urge each church to plan for equipping our laity for the ministry of Evangelism.

The Executive Committee of our Association voted on September 6, 1988 to encourage each of the churches in our Association to participate in the "Here's Hope, Jesus Cares for You" simultaneous revivals March 18-25, 1990. These revivals will be held across our Southern Baptist

Convention and we believe that this can be an effective tool in evangelizing Northeastern North Carolina.

We can do the work of the evangelist within our churches and within our communities but we must develop an earnest desire to see the opportunities for sharing, loving, giving and winning and then minister to the needs as they are perceived. Opportunities are all around us and we but need to minister in the name of Jesus.

Chip Roberson, Chairman
Evangelism Committee

SUNDAY SCHOOL REPORT

The year just past was a positive one in the area of Associational Sunday School work. Last fall, our Association was host to the 1987 Eastern Regional Sunday School Clinic. Our thanks to the people of Corinth Baptist Church for providing their facilities for our use.

Last spring, we held our first Associational Training School. The topic was outreach, the response was outstanding. Attendance at Berea Baptist was 79, and at Edenton Baptist, 112. We thank both churches for their generosity.

Vacation Bible School clinics were held at Creswell Baptist Church and at Hertford Baptist Church. Combined attendance for the VBS clinics rose to 101, from a total of 87 each of the previous two years. Our thanks to Creswell and Hertford for their hospitality.

In May, we conducted three Sunday School Leadership Nights at Manteo, Blackwell Memorial and Warwick with a combined attendance of 56. We appreciate each church for its willingness to serve as host.

Our Associational program this year will include two Associational Training Schools and the Vacation Bible School clinics. The first Associational Training School will take place on Sunday, November 6, from 3:00 p.m. until 8:30 p.m. at Rocky Hock Baptist Church. The focus of this training event will be on teacher training: understanding the curriculum and using creative teaching methods. The second Associational Training school will teach the "Understand..." series, and will be held on March 14 and 16. Vacation Bible School clinics are scheduled for the week of May 1-4.

This year, we have not scheduled Sunday School Leadership Nights. In their place we are offering assistance to churches wishing to have a Sunday School Planning Clinic. A trained clinic leader will come to your church and guide your faculty in planning for the following year of Sunday School work. While we are willing to help churches at any time, we suggest that late spring would be the best time for this kind of clinic.

Finally, it has been a long-term goal of our Sunday School program to develop a corps of well-trained leaders within our Association. Toward that end, we have been enlisting and recruiting from among the best Sunday School workers our churches have to offer. Only after completing training at the state level are we prepared to recommend leaders to the churches as ASSIST team members.

I am pleased to announce that we have two ASSIST team members who have completed training at the ASSIST Institute in February and again, at Sunday School Mini-Week in August. They are Lynnette Boyce

of Berea and Pat Dawson of Roper. Mrs. Boyce is our preschool ASSIST member and Mrs. Dawson is our youth ASSIST member. I encourage you to contact them for information and help in these areas of Sunday School work. I also ask that you continue in prayer with us as we seek out leaders in the areas of children and adult work.

Finally, let me remind you that, in the final analysis, the Association has no Sunday School work. Sunday School is a function of individual churches. Our job is to support the churches; the churches must do the work of Sunday School. May God strengthen you in that work.

Vic Ramsey
ASSIST Director

PERSONNEL COMMITTEE REPORT

The Personnel Committee which consists of the Moderator, Vice-Moderator and Treasurer has the current responsibility for supervising the employees of the Chowan Association. Currently, we have Ralph Knight, Director of Missions, Glenn Lane, Associational Secretary, LeRoy Cahoon, custodian of Camp Cale and Cindy Wise, resort ministries. Let us all commend these who have worked so faithfully for our Association.

Gene Asbill, Chairman
Personnel Committee

CHURCH TRAINING REPORT

Much was presented to us at Key Leadership Training this year. A call to Baptist basics - "A Challenge to Growth" was the theme.

A student is not above his teacher, but everyone who is fully trained will be like his teacher (Luke 6:40)

Jesus is the One who spoke these words about discipleship. Jesus planned that His three years of discipling would produce generations of people who would be like Himself. The disciples were to walk as he walked. From the very beginning Jesus had a plan to teach, train, encourage and ground those disciples in truth. He modeled before them the behavior that He wanted to see in them. Jesus knew that the future of Christianity rested in these disciples and their ability to continue the work that He had begun. He gave His disciples their plan when He gave them the Great Commission (Matt. 28:19-20). Discipleship is a progressive and unfolding relationship with Christ. Jesus has given us the Work and the Spirit in order to give the understanding and strength we need to carry out His purpose.

The Church Training program has been given the responsibility for new member training, member training and leadership training in our churches.

Geraldine Humphries
Church Training Director

MINISTERIAL COMMITTEE REPORT

The Ministerial Committee has met on three occasions at the request of churches to examine candidates for ordination.

David Vess of Corinth Church was recommended on November 16, 1987 for ordination.

Bobby Carlos Armstrong was not recommended for ordination. The Committee believed that it was best that he be licensed and supervised by the Columbia Church for two years. This action was taken on November 16, 1987.

Roscoe Ange was examined on June 6, 1988 but it was recommended that he not be ordained until he was actually called to be a minister in a Southern Baptist Church.

Dennis Hill, Chairman
Ministerial Committee

PROPERTY SEARCH COMMITTEE REPORT

The Associational Property Search Committee has been authorized by the Executive Committee to proceed with efforts to locate a suitable house or building in the Edenton-Elizabeth City area for an Associational Office. The Executive Committee feels that it is appropriate for our Committee to bring this matter before the churches of the Chowan Baptist Association to see if there may possibly be an individual or family who might have a house or building they would be willing to give to the Association for this purpose. Also, there may be someone who can provide a piece of property for a future building. Perhaps Baptist Men from the Association and/or from across North Carolina could erect such a facility at a great reduction in cost. It is our understanding that such a procedure took place in the West Chowan Association.

Please contact us immediately if you are, or if you know of someone who may be interested in making such an offer. Quite naturally, any such offer will be taken under advisement and presented to the Executive Committee for discussion and future action.

Robert B. Poole, Chairman
Property Search Committee

YOUTH REPORT

The Youth Committee has been active this year planning and implementing two major functions for our associational young people. The first being Super Saturday '88 held at Manteo High School on Saturday, May 21. The name of this sports activity was well chosen because it truly was a "super" day for 248 junior and senior highs from 15 churches in the Chowan Association. The main credit for the success of this function goes to Melva Curry, Youth Director, Manteo Baptist Church, and her many helpers. Much work and many hours were spent to make this a well organized sports event. Trophies were awarded for competitive games with the overall Championship Award going to Providence Baptist Church.

The second function the Youth Committee is planning is "in the works" at the writing of this report. We are in the process of providing associational youth the opportunity of "Pre-Viewing" what our Baptist Colleges have to offer them. On Saturday, September 10, 1988 we have invited teams from the Baptist Student Unions of Chowan, Meredith, Wingate Colleges and Campbell University to come share in a special worship service. We will also provide time for each college representative to share with the youth what the school can offer.

The Youth Committee has tried to develop functions that will benefit all associational youth this year. Our intentions have not only been to serve you as called for this year, but to pave the road for future activities.

Denise Gregory, Chairman
Youth Committee

DENOMINATIONAL COMMITTEE

This year has been an exciting time in the life of Baptist Retirement Homes of N.C., Inc. charged with the task of providing living opportunities for older adults within a Christian context. The Homes have this year attempted to "move forward" in three broad directions. 1) As an advocacy for older adults. The "Homes" have endeavored to become an advocate, a spokesman, for a very special segment of our Baptist population. 2) The Homes are developing creative ways to meet the needs of older adults. An example, a significant new relationship has been established between the Homes and the Geriatric Section of Bowman Gray School of Medicine (Wake Forest University). Quality care, long the hallmark of the Homes, is still the institutions' main objective. 3) Plans for Institutional expansion and new development have moved forward at a rapid pace. Ground breaking for a new continuing care Retirement Community in Winston-Salem has taken place and is now under construction. If perhaps you are not familiar with our Baptist Homes we have one in Hamilton, just a short distance from Williamston, N.C. that you may visit to learn what it offers.

In reaching out in service to older adults, the "Homes" offer concrete expressions to the love of Christ for all people. The support of North Carolina Baptists makes this ministry of love possible. Also our Children's Homes and our Hospitals need our support. The needs for residential living opportunities on all levels grow as the population does. This is also true for a large number of retired pastors and their spouses. New sources of funding must be found if this great need is to be met.

As we move into 1989 opportunities for creative ministry with older adults abound. Let us as North Carolina Baptists move forward that these opportunities may become the kind of reality that will meaningfully serve the needs of older adults in our Convention. May we continue to be "laborers together for the glory of God and service to mankind."

Margaret Ward, Chairman
Denominational Committee

CAMP CALE REPORT

The Association is indeed fortunate to have an asset like Camp Cale to use for the glory of God. Camp Cale has been extremely busy providing youth and adults with the best possible recreational events, sporting events, worship opportunities and events for outreach ministries. Some of the highlights have included the following:

On October 24, the V.I.P. party was held; Acteen Day Camp was held on June 18, GA Day Camp was held on June 29 with one hundred GAs representing eleven churches. Cindy and Greg Wise who are leading our Resort Ministries in our association lead the mission study and a love offering was taken for the resort work.

On July 10 the first Annual Associational-wide Open House Picnic was held. There were 104 present for the picnic. On September 10 the WMU Prayer Retreat was held with 125 attending representing 30 churches. All enjoyed a covered dish luncheon. On September 17 the RA Roundup was held. As you can see, past participation in the events at Camp Cale has been really good. However, participation and events can and should increase in coming years. We look forward to a prosperous year for the Lord. Check the Association Calendar for coming attractions at Camp Cale.

The Administrative Staff will be meeting to develop a set of camp regulations which will be provided to all who use the camp in order to maintain the facility in optimum condition. Items addressed will be such things as parking, trash disposal, pets, fires, required camping facilities not provided by Camp Cale, firearms on the premises, requirements for lifeguards, use of kitchen area, a non-refundable registration fee, etc.

In the past years, a number of youth and adults have made life-changing decisions for Christ due to the fine Christian training and fellowship received during resident and day camping, retreats, and outreach ministries. Events at Camp Cale have far-reaching effects. Not only are the participants enjoying fellowship and training; at the same time, they are providing an outreach ministry. If all the churches in the association accept the challenge to provide the best in staffing, training and facilities, Camp Cale will become a self-supporting and soul-winning station for the Lord.

Moderator's Report

It would be impossible for me to tell you how much this association means to me. These past two years as your moderator have been a tremendous blessing not only to my life but to my ministry. God has richly blessed me. You have helped me grow much in faith, love and in the knowledge of our blessed Lord. You have challenged the best that I had in me, and have given to me the courage and inspiration to spend and be spent for Christ. For this reason, our Chowan Association will always fill a special place in my mind and heart that can never be given to anyone else.

Much has been accomplished these past two years of which I'm extremely proud. Ralph Knight has been a blessing beyond measure to me. Without him giving advice and the Lord leading, I don't know if I could have made it. To Glenn Lane and Margie Watts I say "thank you" for your help. To Faye Ober and our associational WMU, I say "bless you." So many to thank but not enough room.

I'd just close by saying thank you for allowing me to serve you. My prayers and thoughts will always be of you the Chowan Association.

Your Fellow Servant,
Gene Asbill, Moderator

Director of Missions' Report

It has been an exciting three years, thank you for allowing me to serve as Interim Director of Missions.

Many things have happened that have made it worthwhile for me and I trust for the future of the Chowan Baptist Association.

Financial support for the expansion of our association has increased by most of our churches to show us that you are interested in doing more for Christ in our large area of work. Let me just encourage you to keep this up as we enter a new challenge with a full-time Director of Missions. Gradually increase your giving to the goal of five percent of your undesignated local budget for the support of missions in your association.

Our five year strategy planning for the association is now working and challenging us to reach goals and needs for a 10 county area. We are now organized for the task, and many people are working towards these goals.

Our new and enlarged retirement annuity program has been adopted by practically all of our churches, which is providing a better future for our pastors and churches.

After a 183 year history of our work in this area we are almost ready to occupy our Chowan Baptist Association Resource Building. Due to your response of financial support, and contribution of labor, we will soon dedicate this building debt-free to the glory of God and service to our 61 congregations. The possibilities of its use are unlimited and only time will reveal what the future holds for us.

Our search committee for our full-time Director of Missions will soon be making their recommendation to an Executive Committee meeting for approval. Please pray for this committee and give your full support to this vital need in our association.

Thank you again for everything and may God continue to bless our association.

Ralph W. Knight
Interim Director of Missions

Brotherhood Report

The Chowan Associational Brotherhood is a well written story. It is an account of boys and men building a rich Christian fellowship and heritage. As the narrative unfolds we discover that the Baptist Men's Organization is a continuous life style of learning and teaching about our missions' emphasis as we give our money to support vital ministries as well as "hands-on" experience where individual time is given in some serviceable way where needs exist.

The Chowan Association Baptist Men participate in many ways such as, clean up time at Camp Cale and assisting in the construction of our associational office building, painting rooms and hallways at Hamilton Home, as well as traveling to areas where they can contribute their time and skills. Brotherhood bodies are sharing their love and faith in community projects, holding services at nursing homes as well as some yoke-fellow prison ministry involvement. One of the greatest opportunities at our doors is sharing in migrant ministries where there are diverse opportunities to minister.

Since last year we have added several new Baptist Men groups to our list in this association. Hopefully they too will also incorporate into their structure a program of helping boys and young men develop missions awareness and ambitions to be involved in helping people in the name of Christ through the RA program.

This past year I have had a wonderful experience traveling to visit with men's groups in our association. It has been great to hear from these groups by letter and phone that they have organized and are officially recognized in their churches as Baptist Men. This story is never ending because it is a continuous account of men and boys' lives touching the lives of others and all in the name of Christ our Lord.

Howard Simpson, Jr.
Brotherhood Director

Woman's Missionary Union Report

"You have heard: look at all this. And you, will you not declare it? I proclaim you new things from this time. Even hidden things which you have not known." (Isaiah 48:6 NASB)

Thus reads our watchword for the year. And we have attemped to "declare it" as we've gone about our business of being on mission for Christ wherever we were, and whatever we were doing.

We held our annual VIP Party for the mentally retarded last October with about 60 campers which was a tremendous increase from the year before. Doris Godfrey, as usual, did an outstanding job coordinating the event.

Our State Annual Meeting was held in Fayetteville this year with several members of the Council attending. The theme was "As You Go. . . Declare It."

Our Associational Annual Meeting was held in April at Corinth Baptist Church. In spite of having to be postponed a day because of snow, we still had 159 attending, representing 27 churches. The offering that day went toward the "Faye Ober Brazil Mission Trip." The theme chosen was "A Future to Fulfill - Launching Century 2." Rev. and Mrs. Ed Gordon, retired missionaries to the Philippines, were our guest speakers. Greetings were read from our Moderator, Rev. Gene Asbill. Our Director of Missions, Rev. Ralph Knight, gave an inspiring address. Several of our churches received either Standard or Distinguished Recognition on the Achievement Guide. The Associational Council, as well, received the Distinguished Award.

Most of our churches participated in the Foreign and Home Mission Studies and the Weeks of Prayer. State and Associational Missions were emphasized as well, and WMU Focus is always a highlight.

I attended the Key Leadership Conference at Ridgecrest in May and received a preview of the coming events and emphasis in WMU in the next few months.

Joan Cooper, our Mission Action/Personal Witnessing Director did an excellent job with our migrant ministry distributing 536 health kits and 199 "Use-Me" books to the children, served seven suppers, as well as passing out some Spanish Bibles, clothes and blankets. Money was also collected to purchase new hymnals for a local prison unit.

The WMU Council meets quarterly to plan Associational events. All of the Council received training from our state leaders this summer at either Caraway or Goldsboro. We held our own local workshop for church WMU leaders on September 19 at Corinth Baptist Church. A collection was taken up at this time to buy gifts for the women in the Correction Center in Raleigh.

Our Prayer Retreat was held also in September at Camp Cale. The Baptist Women, led by Martha Poole, and the Baptist Young Women, led by Anne Hare and Gladys Baxley, did an excellent job in planning the event. Rev. And Mrs. Danny

Davis were our Prayer Leaders, and we left truly blessed. The Baptist Women Outer Banks Mission Trip in June was so well attended and informative that plans are being made to make it an annual event.

Our age-level organizations have done a superb job this year. The Acteens, led by Barbara Hudson, had a Missions Fair and International Luncheon in November at Hertford Baptist Church with 58 attending. In March, they had a Lock-In at Providence Baptist Church which featured a variety of activities.

The Girls in Action, led by Judy Ramsey and Elaine Roberts, began with a "Carnival of Missions" in November at Ramoth Gilead Baptist Church with 143 attending. The GA Olympics in April at Rocky Hock Baptist Church was once again an outstanding success. Day Camp was held in July.

The Mission Friends, led by LaWanda Hollowell and Cheryl Phillips, held a Mission Friends Leaders' Workshop in March at Hertford Baptist Church. Day Camp in July was very successful.

Since becoming WMU Director, I have learned to truly appreciate the value of a good secretary. Mary Rice has been a tremendous help to me this year as secretary and treasurer.

It is necessary for each member of the staff to cooperate in order for us to be able to accomplish our tasks and achieve great things for Christ. I have been blessed this year with a very capable and dedicated staff and we have worked very well together. I really appreciate them so much, for they have made my job easier.

Please remember the WMU in your prayers as we continue our tasks of teaching missions, studying missions, praying for missions, giving to missions, and doing missions -- all in the name of Jesus our Lord and Saviour.

Faye Ober
WMU Director

Associational Missions Development Council Report

The work of the Associational Missions Development Council has been a very eye opening and rewarding experience. I will not be serving in this capacity for another year and I owe a great debt to the members of the AMDC and the Chowan Baptist Association.

I'm very proud of our accomplishments during the year. Our two missions are still moving ahead and opportunities for more new work are still before us. Cindy Wise, in her role as a salaried worker in Resort Missions, has given us much to look forward to in that area; even the possibility of making that a year round, part-time position. We thank the Baptist State Convention for their salary support in that effort. I commend each of our Component Directors, Sam Jolly, New Work; Joe Brewer, Promotion; George Pollock, Survey; Ron Parr, Special Ministries; Bob Crisp, Migrant Ministries for their work and expertise. I thank Vic Ramsey, Howard Simpson, and Faye Ober for their contributions to the overall missions effort through their respective organizations.

Our area is growing in the number of unsaved and unchurched individuals and families. We are on the front line of opportunity to strengthen God's Kingdom. The vision is before us and the challenge worth grasping.

The following summaries come from the workers of the AMDC who have so willingly given their time and talents to help you do missions in your church:

Our Church Extension ministry continues to be focused primarily around our two missions:

--The Cape Hatteras Baptist Mission, Rev. Sherwood Allcox, pastor with the Manteo Baptist Church as the sponsoring church - Dedication services for their new parsonage were held on April 9, 1989. The parsonage, a one-and-a-half story Cape Cod with three bedrooms, a study, living room, and a kitchen-dining room combination, is a spacious, well-built and well-equipped home of which we can all be proud. It represents a lot of long, hard work by many dedicated Christians and none more so than the sponsoring church who gave of themselves unselfishly in time, talent, treasure and love to meet every need of this mission. Through the year, the mission has maintained a resident membership of about 60 persons. The mission provided for the housing and care of three young missionaries who were employed this summer by the state convention to do resort ministry work in the Hatteras/Buxton/Frisco areas. Rev. Allcox and his wife have been faithful and worthy servants in this ministry and community, but due to physical reasons, Rev. Allcox will be retiring soon.

--The Outer Banks Baptist Mission, Rev. Tom Hupp, pastor with Blackwell Memorial Baptist Church as the sponsoring church and with Rocky Hock Baptist Church and Calvary Baptist Church (of Winston-Salem) also providing substantive support - The mission continues to experience new growth, especially since moving to a new three acre site in Kill Devil Hills and obtaining their own building. The building was dedicated on January 29, 1989. Through mid-August 1989, the church membership approximates 53 people with 14 members added since March 1989 (half of those by baptism). The mission remains under heavy financial obligation, but this is being met by dedicated Christians who as well maintain a positive faith as to the ultimate victory.

Suggestions toward a new regional/cluster (joint venture) sponsorship of these and future mission churches were proposed at our Associational Missions Development Council meeting on February 13, 1989. The suggestions included monetary support considerations. In due course, we hope a major study of this proposal and alternative ideas will be weighed for consideration by the ASMD Council and our sister churches.

We have prepared a special briefing or instruction program on church growth principles and concepts. It was presented during the year to our Ministers' Conference in January 1989; to Great Hope Baptist Church in May 1989. We hope other churches will invite us to present same if they sense a need for greater training and understanding in this area.

Efforts this year to establish two other missions and three Bible studies in Southern Shores, Corolla and Rodanthe were not fruitful. We sincerely seek your prayers and spiritual understanding as to the need to reach out to a world that is lost and undone by helping to support the mission needs in our association and to help build stronger and more visionary churches throughout our association.

AMDC Council

Overseas Mission Committee Report

On April 30, 1989, Albemarle Baptist Church in joint service with Macedonia Baptist Church commissioned four volunteer mission workers for the Sao Paulo 1000 project. Debbie Bunch and Lynette Diggs of Alvemarle Baptist Church, and Carl and Carolyn Forehand of Macedonia Baptist Church left for Brazil on May 3, along with six others from West Chowan and North Roanoke Associations. These four had a marvelous experience in service to our Lord and they are available to share with our churches that wish to learn more about Sao Paulo 1000.

We have recently received a list of possible dates for 1990 from the State Convention. When dates are established and the nature of the work confirmed, we will publish it through our newsletter, Pastors' Conference, etc. Those of you who are interested in participating in this project should request an application from the Associational office. Our thanks to the churches, individuals and the Association for your financial support of this work. Please continue to pray for North Carolina Baptists and for Brazilian Baptists as we seek to work together in service to our Lord.

Overseas Missions Committee,
Bob Young, Chairman

Camp Cale Report

The Camp Cale VISION of 1989 became a reality when the Administrative and Property Committees began their task at the camp in October.

Meetings were held quarterly. It was the desire of each member to get the camp back into action again since there was no resident camp at all last year.

This year we are proud to announce that the four weeks of camp were a great success. The first week there were four professions of faith. Two girls made decisions after returing home and another girl began going back to Sunday School because of her convictions at camp.

Rev. Sonny Diggs and his wife, Lynette, were co-directors. Sonny is pastor of Albemarle Baptist Church. Assistant director was Kimberly Ann Dickey, graduate of Wake Forest University. She has served as a journeyman through the Foreign Mission Board. Each of the counselors did a super job. Those who served as missionary of the week did an outstanding job. The boys could not stop talking about the great job Rev. Phillip Knott did while serving as missionary. He is presently serving as pastor of Merry Hill Baptist Church. Rev. Knott has served as a volunteer missionary in Togo, Africa and the Dominican Republic. Miss Carole Leigh Humphries, a retired missionary to Nigeria, also served one week as the camp missionary. We had a very dedicated staff this year.

Many items were purchased to help make the camp a better place for everyone. Another used ice maker was replaced in the kitchen. New carpet and a new air conditioner were installed in the caretaker's residence. The cabinets were enclosed in the kitchen which makes it more sanitary.

Alvin Mizelle, associational RA director, has placed a beautiful new sign at the property line of the camp.

New rules for the camp have been revised by the two committees. They are also planning new ones for the caretaker of the camp.

God has blessed Camp Cale. I believe it is God's mission. The committees solicit your prayers to help make the camp truly a mission field for God's service.

Faye Swain, General Chairman
Camp Cale Council

Sunday School Report

Our associational Sunday School program continued to make slow, but steady progress during 1988-89.

In November 1988, we held a very successful associational training school at Rocky Hock Baptist Church. Over 200 Sunday School teachers and leaders from across the association received training. Our thanks to the folks from Rocky Hock for their wonderful hospitality.

In March, we held two "Understanding" clinics, one at Blackwell Memorial and one at Ballard's Bridge. More than 100 people responded to this training. Our thanks to the host churches, and to a fine faculty of leaders from our own association.

In May, we held our annual associational VBS clinic at Hertford Baptist Church. Response to this event reversed a three-year trend of declining attendance at the VBS clinic, with 105 people attending. Again our thanks to a variety of people who taught, and to the host church, Hertford Baptist, for their hospitality.

It has been a long-term goal of our associational Sunday School program to see the development of a corps of laypeople capable of leading associational events.

Progress toward this goal has been substantial. Laypersons from our association who have led conferences at associational events include:

Lynette Boyce ..... Berea
Bonnie Brothers ..... Berea
Phyllis Broyles ..... Oak Grove
Lillie Mae Bunting ..... Moyock
Pat Dawson ..... Roper
Don Estes ..... Bethany
Brenda Joyner ..... Corinth
Cheryl Phillips ..... Hertford
Ellen Rountree ..... Woodville
Paige Russell ..... First, Kitty Hawk
Betty Ann Shearin ..... Creswell
Charlene Tynch ..... Rocky Hock
Frances Tynch ..... Rocky Hock
Harriette Woodard ..... Hertford

Thank you for your willingness to serve.

Vic Ramsey
Sunday School Director

Pastor-Church Relations Committee Report

The Pastor-Church Relations Committee had one meeting this year in seeking to provide assistance in a church-pastor conflict.

Since church-pastor conflict is a growing problem in our association we recommend that churches and pastors seek to find Christian ways to work out differences. It is our conviction that each time such conflict happens it is not only damaging to the church and pastor but to the course of Christ in our area. Christians are to be examples of love, understanding, forgiveness, reconciliation, and compassion. Under the leadership of God's Spirit any conflict can be resolved in a Christian manner without damage to anyone. Therefore, we urge that prayer, scriptural guidance, and love prevail in such relationships.

Kenneth Word, Chairman
Pastor-Church Relations Committee

Personnel Committee Report

Currently we have Ralph Knight, Interim Director of Missions; Glenn Lane, Associational Secretary; Leroy Cahoon, Camp Cale Caretaker; Cindy Wise, Resort Ministries (SOAR) laboring for us and with us. It would be a lengthy article to single out each one's position and yet each one is doing that which they have been called to do. I'm sure we would appreciate them more if we worked just one day with them. Therefore, let us commend these who work so faithfully for our association.

Margie B. Watts, Member
Personnel Committee

Trustee Committee Report

The purpose of the Trustees is to provide legal and financial assistance as may be directed by the Association or the Executive Committee. We are proud that our Association has endeavored and is erecting an associational building without the need of financial assistance. This procedure, pay-as-you-go, will be less costly to the Association and has been well executed. When it is finished, we will have a building we can all be proud of; built by a loving, caring people, committed to this Association.

Jim M. Hare, Chairman
Trustee Committee

Director of Missions Search Committee Report

Your Director of Missions Search Committee thanks you for the opportunity to serve you and our Lord in this capacity. Our committee was expanded in August to nine members and since that time we have met on three occasions. Our group is working hard and we are now at the point of reviewing resumes. We want to express thanks to Ralph Knight for continuing in his present capacity as DOM while we finish the task you have charged us with. Above all, we desire to work in the context of your earnest and fervent prayers that God would lead us to the one he desires to fill this place of service. We ask you to carry this message of our progress back to your church families. You can help us most effectively by soliciting the prayers of all Baptists in the Chowan Association on our behalf. We thank you for all that you have done and we thank you in advance for all that you will yet do to further this work.

DOM Search Committee,
Bob Young, Chairman

Dedication

To Reverend Ralph Knight who put action to his dream we dedicate this 1990 Annual of the Chowan Baptist Association.

In 1986 Brother Ralph became our interim Director of Missions, serving for three and a half years. His dream for our association was to have a permanent office building. To realize his dream he put many hours of labor as well as substantial monetary gifts.

In February of 1989 a half acre of land was given to the Chowan Baptist Association. On April 19, 1989, a ground breaking was held. On June 17, 1990, the Chowan Baptist Association Resource Center was dedicated to the glory of God.

Brother Ralph, we thank you for the dream that became a wonderful resource center to help leaders prepare and train to do an even better job in the local church.

Dedication

The 1990 Annual is dedicated in memory of Reverend Noah Toler who passed away this year. Brother Noah served Burgess Baptist Church for nearly 25 years. He served on many associational committees during that time, most notably as Camp Cale General Chairman. He had a great love for camping and working with the children who came to camp during the summer programs. He will be greatly missed by his church and the Chowan Baptist Association.

Section 2. Each affilated church shall be entitled to one messenger, plus one additional messenger for each one hundred members or major fraction thereof, providing that each church shall be entitled to at least three, but no more than ten, messengers. Churches which are sponsoring missions shall include the membership of the mission as it calculates the number of messengers to which it is entitled.

Section 3. Messengers from the affiliated churches shall have the right to vote, to make motions, and to speak to any matter of business before the Association, in accord with the rules of order adopted by the Association.

ARTICLE IV - MEETINGS

Minutes of the Executive Committee Meeting

January 1990

Due to furnace problems at Hertford Church, the Executive Committee met one week later on January 9, 1990, at 7:30 p.m. at Hertford. The meeting was called to order by the new moderator, Rev. Howard Simpson. There were 57 members present. Don Wagner opened with prayer.

The minutes of the last meeting were read and approved as read. Since the treasurer was not present, the treasurer's report was presented without comment.

New pastors present were: Rev. Charles Allen Admire, Shiloh and Rev. Micky Willard, Oak Grove.

The following reports were given:

AMDC Chairman, Billy Moore, reported that this committee's work was very important and their main task was to reach and start new work. He also asked that churches get the word out about the Partnership with Poland Project which was to build a seminary and youth center. Workers are needed and he passed out information relating to this.

Cindy Wise, Resort Ministries Director, gave a report on her work. She reported two speaking engagements in September and October. They participated in Octoberfest, Autumnfest, and Festival of Trees this fall. They were also able to provide Christmas for an underprivileged family.

WMU Director, Faye Ober, gave her report. They had an annual Prayer Retreat, a VIP Party for mentally retarded persons and the Acteens and GAs held fall events. She helped Mount Pleasant get a WMU started, and has served on the DOM Search Committee. She also looks forward to going to Brazil on a missions trip.

Alvin Mizelle, RA Director, informed the committee that there were 27 basketball teams and that the RAs were working on projects to help raise money for badly needed things at Camp Cale.

Rev. Bob Young, chairman of the DOM Search Committee, reported that their goal is to have someone to recommend in advance of the May Executive Committee meeting and they will publish the biographical information through the associational newsletter.

He then made a motion requesting that the budget be amended to include an expense account of $1,000.00 for securing a DOM. Seconded by Don Wagner and so carried.

Doris Godfrey gave the Camp Cale report. A plaque was presented at the annual meeting in memory of Rev. W.F. Cale, Sr., who donated the land for Camp Cale. The plaque and a picture of Reverend Cale will be placed in Jackson Hall. Approximately 30 acres of the property is being logged. This is being done to defray the expense of a new bulkhead. J.W. Jones Lumber Co. was awarded the bid in the sum of $40,000 plus $400 for tax on the acreage which will be logged. The Property Committee is soliciting bids for the new bulkhead with the bids being closed out January 25, 1990. Bidding regulations were offered to anyone desiring to bid on this work.

Howard Simpson reported that the Personnel Committee had hired Mr. Alvin Kirby as the new caretaker at Camp Cale. The telephone number has been changed to 426-2513.

Bob Young, chairman of the Overseas Missions Committee, gave a report. He stated that they have not received requests from Sao Paulo, Brazil as yet. The com-

mittees plan to meet with O.D. Martin, BSC, with one possibility being to switch associations in Brazil since they were having difficulty with them.

Terry Fowler, chairman of the associational building committee, reported that approximately $20,000 is needed to finish the expensive interior of the association building. They have spent approximately $40,000. He thanked everyone for their help.

Ralph Knight, Interim DOM, asked the churches to go back a second time and ask for an offering for the building. He encouraged the churches to use their "Here's Hope" manuals and set up committees to plan for their spring simultaneous revivals. He asked the pastors to place September 15, 1990, on their calendars for a Witnessing/Giving Life Seminar hopefully to be held in our new building. He reminded them of the Sunday School training event at Rocky Hock on February 25 from 3:00-8:00 p.m.

Tom Hupp, Church Extension Director, reported that Cape Hatteras Missions has called a new pastor. The Outer Banks Mission is in the process of calling a Minister of Education/Youth who has agreed to serve without compensation. They are planning a new building and Calvary Church in Winston-Salem has designated $44,800 to them. The committee has targeted the following areas for new work: Arrowhead Beach in Chowan County; areas around Elizabeth City after waiting to see where Bethany moves; Southern Shores, Avon and Rodanthe areas.

Don Wagner, chairman of the Arrangements Committee, asked churches that have not hosted the annual meetings in a long time to invite the association to meet with them in 1992.

The moderator called for old and new business and since there was none, called for a motion to dismiss. Raymond Needham made the motion which carried. Garry Mickey closed with prayer.

Moderator's Report

The role of Moderator, whether in a local church or in a regional association, is the same with one exception, i.e., being afforded the opportunity as an ex officio member of all committees I have the opportunity to learn in a more direct way what our association is about.

This past year has afforded opportunities that were pleasant and not so pleasant. The not so pleasant were few and have been resolved. Duties and obligations have taken me throughout our geographical area, provided good training, and added to experience proficiency that I may serve you better.

I appreciate the opportunity to labor as your chairman of the executive committee and the associational council. My prayer is that I will ever be faithful in executing all the prerogatives of a presiding officer and exemplify the imitation of Christ.

I solicit your prayers and welcome your criticism in the presence of my person. Thank you for the personal help, instruction and direction given in the most friendly manner. Thank God for cooperating people who, in Christ, find supreme purpose and meaning in their existence.

Howard E. Simpson, Jr.
Moderator

General Board Report

It has been my privilege this year as a member of the General Board to represent the Baptist State Convention to you. The General Board is literally the "Convention between annual meetings of the Convention," conducting business for the state-wide denomination in all matters except those specifically exempted by the constitution.

I thought I was well versed in the many ministries and activities of the Baptist State Convention. However, I have been virtually overwhelmed to learn of the depth and involvement of our Baptist ministry and witness throughout North Carolina.

These are crucial times for North Carolina Baptists. In spite of our differences, we must all keep our eyes on Jesus Christ, the author and finisher of our faith, and bear our witness to Him.

It will be most helpful to us in these critical days to remember the purpose of those 293 messengers from missionary societies, churches and other religious bodies of the Baptist denomination in various parts of the United States who met in Augusta, Georgia on May 8, 1845.

ARTICLE II. PURPOSE: It is the purpose of the Convention to provide a general organization for Baptists in the United States and its territories for the promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

Judging by what North Carolina Baptists are attempting to do, I feel that we are remaining true to that original purpose.

Robert B. Poole
General Board Representative

Associational Missions Development Committee Report

I wish to thank all of you for your cooperation with me this year in serving as chairman of the AMDC. Must has been learned by myself and the committee members about the mission field that is just outside our own communities. I wish to extend a special thank you to those who have served on this committee.

The work in Cape Hatteras Mission area has strengthened this year with your continued prayers, sacrifices, and the calling of a new pastor, John Cullop. John and Tom Hupp love the Lord and know the area in which they serve very well. They are making great strides in winning the lost and discipling them into mature faith in Jesus Christ. Tom has led Outer Banks Baptist Church Mission to start into a new building program. This program is not only ambitious, but is very challenging. Your help in any way is greatly desired.

New work locations continue to expand as the population swells in the Albemarle region. We have a year-round population of over 5,000 in the upper island area of Southern Shores, Duck and Corolla; with no churches in that area at all. The Avon, Rodanthe, and Waves area of the island is also without any resident church, and has significant year-round population. It is hoped that the Hatteras Mission will provide an option for this area in the short term. Arrowhead Beach is another opportunity to expand witness from Rocky Hock and Ballard's Bridge Baptist churches. Bethany Baptist Church is still discovering where would be the best location for their church.

Doug Roth has directed SOAR ministries this summer and has done a fine job of it. SOAR ministries continues to be a success in reaching those on vacation and leisure. Undoubtedly the Lord has blessed us this year in our missions endeavors, and the Lord is truly happy for your support of missions.

Billy Moore, Chairman, AMDC

Woman's Missionary Union Report

"And the King shall answer and say unto them, verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40) Thus reads our watchword for the past year. What a powerful sermon in miniature it has been to all of us! It has caused us to rethink our priorities and to make new commitments to loving and helping our fellowman.

We held our annual VIP Party for the learning disabled last October with about 75 campers. Doris Godfrey, once again, did an outstanding job coordinating the entire event.

Our Associational Annual Meeting was held in April at First Baptist Church of Elizabeth City. We had 185 to register, representing 37 churches. The offering of $319.63 went toward our new Associational Building. The theme chosen for the day was "In His Name...Reach, Teach, and Touch." Reverend Zach and Barbara Deal, retired missionaries to Colombia, were our guest speakers. Our moderator, Rev. Howard Simpson, and our Director of Missions, Rev. Ralph Knight, gave inspiring addresses. Several of our churches received either Standard or Distinguished Recognition on the Achievement Guide. The Associational WMU Council, as well, received the Distinguished Award.

Joan Cooper, our Mission Action/Personal Witnessing Director, did an excellent job with our migrant ministry this summer, distributing 641 health kits and 372 "Use Me Booklets" to the children, serving eight suppers, as well as passing out numerous Spanish Bibles, clothing and blankets.

The WMU Council meets quarterly to plan associational events. We held our local workshop for church WMU leaders on September 25 at Corinth Baptist Church. A collection was taken at this time to buy gifts for the women in the Correction Center at Raleigh.

Our annual prayer retreat was held also in September at Camp Cale. The Baptist Women, led by Martha Poole, and the Baptist Young Women, led by Anne Hare, did an outstanding job in planning the event. Our own Linda Plummer, on furlough from the Dominican Republic, was prayer leader, and we left truly blessed.

The Acteens, led by Ellen Rountree, had a fall event, "Friends are for Helping," in November at Sandy Cross Baptist Church with 56 attending. And, then in March, they had a lock-in at Woodville Baptist Church which featured a variety of activities. They also held a Day Camp in June.

The Girls in Action, led by Elaine Roberts, began with a Missions Costume Party in November at Edenton Baptist Church with 133 attending. The GA Olympics in April at Corinth Baptist Church was once again an outstanding success. Day Camp was held in June.

The Mission Friends, led by Cheryl Phillips, held a Mission Friends Leaders' Workshop in March at Hertford Baptist Church. This was a time for sharing ideas with everyone. Their Day Camp in July was very successful.

Our Enlistment/Enlargement Director, Bertha Blanchard, has worked very had this year promoting ideas for enlisting new members.

The value of a good secretary cannot be overstated. Brenda Joyner has been a tremendous help to me this year as secretary/treasurer.

I have been extremely blessed this year with a very committed and willing assistant. Vivian Jordan has been an incalculable help both to me and to the WMU.

I have been so pleased with my staff this past year. They are very capable and dedicated and we have worked very well together. I really appreciate them for they have made my job so much easier.

The highlight of my year in WMU occurred on September 6 when I left on a volunteer mission trip to Brazil, along with 13 other WMU ladies from all across our state. I have discovered anew in the past few months, that the Lord really does truly "work in mysterious ways." He has so marvelously worked through many groups and individuals in our Association who have assisted me financially on this trip. And, I am eternally grateful to one and all.

Please remember the WMU in your prayers as we continue our tasks of teaching missions, studying missions, praying for missions, giving to missions, and doing missions -- all in the name of Jesus Christ, our Lord and Saviour.

Faye Ober, WMU Director

Camp Cale Report

"Show me thy way, not to fortune and fame to win laurels or praise for his name; But show me the way to spread the great story that thine is the kingdom and power and glory."

This has been my motto for the past two years while serving as your Camp Cale General Chairperson. The VISION we saw in 1988 has truly come true. At the camp souls have been saved and lives changed. The Great Story has been spread to all ages. We have heard the joy and laughter of ones telling about their favorite missionary or Bible teacher while visiting the campsite. Their fun time was swimming in the Perquimans River and making crafts which pertained to nature. Yes, our four weeks of camp was a great success, thanks to our administrative chairperson, Doris Godfrey. She did an excellent job recruiting her staff for the summer.

Rev. and Mrs. Sonny Diggs returned as directors. "Share the Joy" was the theme for the girl's camp and "Put on The Whole Armour of God" for the boy's week. Our counselors and CIT's were well-trained and worked well together. Our missionaries did an outstanding job of sharing their calling. They used videos, slides, artifacts, games, crafts and mission study to enrich the campers and staff.

We had volunteer missionaries for the first week - Rob Collie, Herbert Hemingway, Jr., and Rev. Danny Davis. Missionaries serving the second week were Linda Plummer, on furlough from the Dominican Republic, with special guest, Robert Plummer. The third week Amanda Carroll, student from Meredith who has been on mission trips to Israel and Brazil, served. Jack and Oneida Mahaffey, on furlough from Thailand, served the last week.

There were 97 campers with four making professions of faith and many rededicating their lives to the Lord.

The Property Committee Chairman, Douglas Swain and his committee, have also been busy this year. Thirty acres of land behind the camp have been logged to pay for a new bulkhead. A ramp has been built to carry canoes to the water. Waterlines have been replaced all over the campsite.

There are two dates to remember: May 26, 1991, will be Work Day at Camp Cale and June 24, 1991, is Open House at Camp Cale.

If you would like to help our camp, we are in need of some new canoes and would appreciate donations.

The camp has a new caretaker, Mr. Alvin Kirby, and a new phone number 264-2513. A picture and plaque were given in honor of Mr. Cale who donated the property to the Chowan Association.

Wonderful things are happening at Camp Cale. Just come and see!

Faye Swain
Camp Cale General Chairman

Sunday School Report

The highlight of our Associational Sunday School report for the 1989-90 church year was the second Sunday School University, held on February 25 at Rocky Hock. Over 160 persons were registered for a wide variety of conferences taught by 20 faculty members. Our thanks to Rocky Hock for hosting this event, to the Rocky Hock Community Club for providing the evening meal, and to the following persons from our association who taught one or more of the conferences:

Sam Jully (Powells Point), Garry Mickey (Manteo), Eucell Temple (Berea), Phyllis Broyles (Oak Grove), Ricky Barnes (Middle Swamp), Thomas Hupp (Outer Banks Mission), Pat Dawson (Roper), Russell Gray (Columbia/Soundside), Lynnette Boyce (Berea), and Cheryl Phillips (Hertford).

Another significant development was the formation of a separate associational VBS team to conduct the associational VBS clinics. Under the able direction of Mrs. Phyllis Broyles, our new associational VBS Director, we assembled a complete Vacation Bible School team for our 1990 associational clinics. The clinics were held at Hertford Baptist Church on the morning and evening of April 30, and there were nearly 100 persons registered for training in all areas of our Vacation Bible School work.

Our sincere thanks to the following members of our Vacation Bible School team: Audrey Bunch (Blackwell), Cindy Coswait (Manteo), Ellen Rountree (Woodville), Brenda Joyner (Corinth), Lillie Mae Bunting (Moyock), Doug Murray (First, Elizabeth City), Delsie Holland (Macedonia), and Bob Crisp (Blackwell).

We would also like to thank Hertford Baptist Church for allowing us to use their facilities, and Mrs. Harriet Woodard, for coordinating the physical arrangements at the clinic.

We continue to urge the Baptist State Convention to provide more training opportunities in the Northeast. The Regional Sunday School Clinic, held on October 6 at Edenton Baptist Church, is a result of this effort. We will continue to seek other events sponsored by the Baptist State Convention for our region.

The Chowan ASSIST Team held an organizational meeting on October 18 and is planning on conducting spring and fall events during the calendar year 1991. We remain in search of interested persons willing and able to lead clinics at the associa-

tional level. Those interested in volunteering their time and expertise should contact our ASSIST director, Mr. Vic Ramsey, at 435-6230.

We urge the churches to make this year, 1990-91, a Breakthrough year in Sunday School work. We pledge ourselves at the Associational level to providing the training and support required by the churches of our Association.

Vic Ramsey
Associational Sunday School Director

Discipleship Training Report

This is a year of continuing crisis, change and opportunity in the work of our churches in the training of Christians.

Statistics for 1978-1988 show 66% of S.B.C. churches have "plateaued" or declined in membership (57% in our association). The Home Mission Board reports that the percentage of lost persons in the South Atlantic region of the U.S. rose to 63% in 1988. Other facts show that about 53% of our church membership is enrolled in Sunday School and less than 15% are enrolled in a church training program. Cecil Ray stated that 50% of our Baptist people give nothing in monies to the church and that 80% of all church funds come from 20% of our people. Another fact states that 40% of our annual new membership is now being derived from other denominations.

Knowing that most of this data remains current from year to year this crisis state dictates our need for prayer and a new commitment toward discipleship training.

In listening to our people, there has already been an increased spiritual and qualitative training effort on the part of many churches. There is a growing spiritual job to be done, and many are planning to do it.

Roy T. Edgemond, Director Discipleship Training, reflects: "Every problem in the church and every concern that Christians face is a discipleship issue. To train disciples is to equip them to live a powerful Christian life. To fail to train disciples is to ignore the command and model of our Lord; to neglect the Church of Jesus Christ; and to allow Christians to face life spiritually unprepared.

Disciple-ALL is God's direction to us.

Sam Jolly
Discipleship Training Director

Personnel Committee Report

It is the responsibility of this committee to supervise all regular employees of the Chowan Baptist Association with the exception of those at Camp Cale. This committee consists of the Moderator, Vice-Moderator and the Treasurer.

We now employ the services of four persons: Dr. E. Lamar Eiland, Director of Missions; Glenn Lane, Secretary; Rev. Doug Roth, Resort Ministries (S.O.A.R.); and Alvin Kirby, custodian at Camp Cale. We commend them in their labors and for that special extra given as labors of love for the association.

Howard E. Simpson, Jr., Chairman
Personnel Committee

Pastor-Church Relations Committee Report

The Pastor-Church Relations Committee met several times this year to provide assistance to the churches in the matter of ordination of ministers. There seems to be some progress in the area of dealing with conflict between pastors and churches. We highly recommend that this spirit would continue to grow so that the churches of our association may become a model for the expression of Christian love and understanding.

Ken Word, Chairman

Building Committee Report

On April 9, 1989, the people of the Chowan Baptist Association gathered for a torical event. After 183 years we broke ground for our first permanent building in Hertford on land donated by Dan and Edgar Berry in memory of their parents, Mr. and Mrs. E.Y. Berry.

Between that Sunday evening on April 9, 1989, and June 17, 1990, a miracle took place. Under the guidance of the building committee, Rev. Ralph Knight, Rev. Gene Asbill, Dan Berry, Luther Parks, James Lane and myself, and with the help of many people from our various churches, we now have a place to call our own.

Today we have a building valued at about $125,000, yet it only cost the Association $75,136. This would not have been possible if it had not been for all the volunteer labor and contributions made toward this endeavor. We should be proud as an Association! However, we are not quite through. We need to replace the temporary partitions in the bathrooms with permanent ones, purchase drapes for the windows, and a few odds and ends.

Again I would say thank you for allowing me to serve our Association as Building Chairman. I enjoyed the fellowship as we worked together from across our Association. Thank you for your support.

Rev. Terry Fowler, Chairman
Building Committee
